

TYRONE C. PASCUAL

IT Graduate | Full-Stack Developer | Manila, Philippines
0953-117-7468 | bugstyron@gmail.com

[Portfolio Website](#)

PROFESSIONAL SUMMARY

Results-driven IT graduate with hands-on experience in full-stack web development, mobile application development, and IT leadership. Built and deployed production-ready applications using Flask, React Native, Firebase, PostgreSQL/Supabase, and SQLite, with real-world cloud deployment experience on Render.com and Vercel. Experienced in team leadership and project coordination through an internship role managing and evaluating multiple IT interns. Skilled in both front-end and back-end development, with a track record of delivering complete solutions from design to production deployment.

TECHNICAL SKILLS

Programming Languages	Python, JavaScript, TypeScript, HTML, CSS
Frameworks & Libraries	Flask, React Native, Expo Router, Tailwind CSS, SQLAlchemy, Jinja2
Databases & Backend	SQLite, PostgreSQL, Supabase, Firebase Firestore, Firebase Authentication
Cloud & DevOps	Docker, SAP BTP, Render, Vercel
Tools & Version Control	Git, GitHub, VS Code, Google Workspace, Microsoft Office
Networking	LAN/WAN Setup, Piso WiFi Configuration, Router Troubleshooting
Other	Documentation, Technical Writing, REST APIs, AsyncStorage

WORK EXPERIENCE

Team Leader Intern | Ollopa Corporation

2026

Travel and property booking company managing listings on platforms including Egetinnz.

- Led and supervised a team of IT interns, conducting attendance monitoring, performance evaluations, and quality checks on intern deliverables
- Trained and onboarded new team members on internal workflows, tools, and company standards
- Managed property price updates and ensured data accuracy across booking platforms
- Prepared evaluation reports and supervisor remarks for intern assessment documentation
- Coordinated team structure adjustments including co-team leader recruitment and transitions

PROJECTS

Rico Gym & Strong Brothers Gym Management System

2026

Tech Stack: Flask, SQLAlchemy, PostgreSQL, Supabase, SQLite, Tailwind CSS, Jinja2, Render.com, Python

- Designed and built a full-stack web application for gym member management from scratch
- Implemented admin authentication, member check-in system, walk-in guest tracking, and daily earnings dashboard
- Developed a soft-reset earnings feature and persistent data management using SQLAlchemy ORM, migrating from local SQLite to a production PostgreSQL database hosted on Supabase
- Deployed and maintained the live application on Render.com, including environment-based configuration and a subscription suspension system

Mobile Portfolio App

2026

Tech Stack: React Native, Expo Router, TypeScript, Firebase, AsyncStorage

- Built and shipped a personal portfolio mobile app featuring Firebase Authentication (email/password)
- Implemented project showcase screens with hero images, video demo modals, and horizontal image galleries
- Integrated an AI chatbot screen and applied glassmorphism/minimalist UI design themes

Piso WiFi Network Business

2025 – Present

- Set up and maintained two Piso WiFi units, including hardware configuration, network troubleshooting, and performance optimization

- Diagnosed and resolved concurrent-user crash issues by identifying hardware RAM limitations and evaluating upgrade paths

EDUCATION

Bachelor of Science in Information Technology Universidad de Manila <i>Graduated Cum Laude</i>	2022 – 2026
Senior High School – ICT Track Universidad de Manila <i>Graduated With High Honors</i>	2020 – 2022
Junior High School Pres. Corazon C. Aquino High School <i>Graduated With Honors</i>	2016 – 2020

ACHIEVEMENTS & CERTIFICATIONS

- Published capstone study, “AI-Driven Chatbot for Virtual Health Assistance and Symptom Analysis for Common Illnesses” (*Vitalis*), International Journal of Research and Innovation in Applied Science (IJRIAS), 2025
- Best in TLE – ICT, Batch 2020 (Section 1)
- 3rd Place – Collaborative Desktop Publishing, Jourknows 2019 (Division Level)
- 4th Place – Tarpaulin Making Contest, Technolympics 2019 (Division Level)
- Attendee – CICT Webinar on Big Data and Privacy

LANGUAGES

English (Professional Proficiency) | Filipino (Native)
